

CALL FOR

RURAL HOSPITAL INNOVATION GRANT

APPLICANTS

Passed by the Kansas Legislature in 2021, and funded with \$10 million from the American Rescue Plan Act, the State Office of Primary Care and Rural Health has implemented the new Rural Hospital Innovation Grant (RHIG).

RHIG is available to rural counties in Kansas in collaboration with hospitals to strengthen and improve the health care system by innovating and transitioning their model of care to increase access to health care services. This grant will help improve the long-term viability of rural hospitals in Kansas while allowing them to provide essential services to residents.

Over \$6 million dollars have been awarded and there is still time to apply!

More information and application instructions can be found on the [RHIG website](#).
