

KHC HIIN Mini-Sprint Adverse Drug Events - Anticoagulation Safety

Please join us!

Mini-Sprint concludes mid-February 2020

Mini-Sprint Objectives:

- Help hospitals identify opportunities for improvement through use of the Cynosure Health INR Process Improvement Discovery Tool.
- Engage with your team, national faculty, and peers to explore best practices and next steps for sustainable improvement.

To sign up and participate, please follow these steps:

- 1. Sign up for the mini-sprint** at <https://www.surveymonkey.com/r/KHC-HIIN-ADE-Mini-Sprint-Signup>
Upon enrollment, KHC will email the INR Process Improvement Discovery Tool and link to register for the follow-up Mini-Sprint event to be held Feb. 4.
- 2. Complete the discovery tool** and return to KHC by Wednesday, Jan. 22, 2020.
Review 5 - 10 charts, depending on hospital size
- 3. Register for follow-up Mini-Sprint webinar** to be held 10 to 11 a.m. Tuesday, Feb. 4, 2020.
- 4. Prepare to share and participate** in Feb. 4 webinar
- 5. Watch for potential coaching call invitation** for your hospital sprint team to visit with Dr. Tremain.

Mini-Sprint Faculty

*Steve Tremain, M.D.
Physician Improvement Advisor
Cynosure Health*

This Mini-Sprint includes a limited number of individualized coaching calls for hospital teams.

KHC will extend invitations to hospitals selected for a 25-minute call to be held with Dr. Tremain on Feb. 11 or 13. Depending on how many hospitals enroll in this mini-sprint, selections may be prioritized based on need.

In case you missed it, see the KHC Education Archive for the recording of the Mini-Sprint kick-off event held Dec. 18, 2019 at KHConline.org/HIIN-education
